

Klamath Grown seeks new Executive Director

March 19, 2024

Klamath Grown is seeking an Executive Director to lead the organization. We're looking for a leader passionately dedicated to food system work in the Klamath Basin, who will work to build upon our legacy and current programs alongside our dedicated team of staff, volunteers, and Board of Directors. Klamath Grown brings people together around local food; our Executive Director will embody this community-oriented approach to creating a thriving food web that prioritizes food access, producer support, and local food education.

Applications Due: May 5, 2024

Interview Period: May 13-31, 2024

Selection Date: June 7, 2024
